JEA 1A07 - AVIATION

Non-Continuous
Time Code!

<05/96>

[u-bit #99000001]

L-?

04:00:17 1) "Dirigible 'Roma' Overhauled By The American Air Service On (?) L-?
-04:12:11 15th Of March 1921 In The Flight 'Rome-Naples-Rome'
Establishment Of Aeronautical Constructions Photographic Service"
- people including men in uniforms and man with movie camera
standing around on field next to dirigible "Roma", view of one propeller
in operation, passengers entering, "Roma" taking off, LS in flight,
landing, passenger exiting, U. S. flag, passenger posing, PAN of
another dirigible and "Roma", "Roma" being taken into hangar, sunset

[u-bit #09117170]

1717-1-2

04:12:27 1) hot air balloon meet - MLS eight balloons on ground with one (N) Aviation: Balloons
-04:13:45 taking off with flock of birds following it up, MLS eleven balloons
on ground with people standing around, MS seven balloons on
ground with "U.S. Army" written on side on one balloon, one
balloon taking off, "Two Intrepid Americans, W. T. Van Orman
And W. W. Morton, Sailing The "Goodyear III" Are Declared Victors
After A 532 Mile Voyage To Solvesborg, Sweden" - MS three balloons
on ground, MCS men on ground trying to control unruly balloon,
balloon taking off (early 1900s) [International Newsreel]

04:13:48 2) Bird Man with wings running across terrain attempting to fly in (S) Aviation: Pre 1910
-04:14:10 front of man with movie camera, about to jump off platform
in tree -3-
[section]

1717-3-3

04:14:14 1) Bleriot? - man flying primitive dirigible (S) Aviation:
-04:14:23 (ca. 1910) <some scratches> Dirigibles -1-

04:14:29 2) dirigibles and people on ground at air show, LS same man as (N) Aviation:
-04:15:54 above flying dirigible (ca. 1905) <some scratches> Dirigibles -3-

04:15:57 3) Zeppelins - "The New Military Airship 'Ville De Paris'", (N) Aviation:
-04:18:27 "Leaving The Airship Station", "The Return", "Arriving At The
Station" (1907) [Pathe] <decomp> Dirigibles -3-

1A07 -2-

JOHN E. ALLEN, INC.

1717-2-1

04:18:31 1) early bi-plane on ground, flying, men building airplane, covering (S) Aviation: Pre 1910
-04:19:54 wing, wings being attached by screws, aviator testing steering -3-
wheel [section]
[partial sound-
narration]

[u-bit #39217620]
1762-??

04:20:01 1) air traffic control workers in tower, large airplanes landing on (N) Rockets: Sled
-04:24:24 their bellies, interior and exterior views of jet sled in desert, test
run with dummy, CU man in sled during test run
(1940s or 1950s)

04:24:29 2) launching of rocket, AERIAL of observatory, interior with telescope (S) Rockets: Space,
-04:33:44 being opened, cluster of stars in galaxy, rocket flying, POV from Jet Sled - Comp
space of earth, early 3-masted sailing ship in ocean, AERIAL of Pos
observatory on mountain, man climbing up and looking through [also on 1X45
telescope and seeing cluster of stars in galaxy, jet airplanes in sky, 07:58:33-08:07:30]
G-Force effect shown with CS of man's face in jet sled, jet taking off, [also see 1X44
men in protective suits doing maintenance on rocket, man wearing 05:25:33-05:26:24]
headphone at control panel, men inspecting graph made by machine, [silent]
launching of rocket from ship, rescue ship in icy waters, parachute
from rocket falling to earth, men in centrifugal force machine being
monitored, jet sled taking off, CS distortion of man's face in jet sled,
radar tower, man operating machine, wave signals on scope of
detection meter with label: "1946", diagram of rays from earth to
moon, still of surface of moon, model of rocket sitting on floor in
front of stairs, mice and monkey being put into rocket and shot into
outer space, CS mice, men recovering capsule on ground, CS monkey
eating, rockets taking off, men looking through panel windows,
stars in galaxy

L-312

04:34:40 1) *Space Trails Of Kollsman* (?) L-312
04:35:17 rocket [color]
04:35:26 Alan Shepard, first U.S. astronaut in space, on way to rocket (1961) [sound-with
04:35:38 rocket taking-off narration]
04:35:55 Shepard in rocket during flight, talking <sync sound>
04:36:11 POV from rocket of earth

JOHN E. ALLEN, INC.

04:36:19 first all-instrument bi-plane flight with pilot James Doolittle at Mitchell Field, New York in 1929, CU altimeter
04:36:44 exterior with cars and interior with people working of Kollsman factory in Long Island
04:37:05 CUs of various optical, electronic and other precision instruments
04:37:43 B-52 bomber in air which is launching platform for "Hounddog" missile, missile being let loose from airplane
04:38:12 B-52 taking off
04:38:20 commercial jet in air
04:38:27 B-58 Hustler supersonic bomber taking off
04:38:32 -X-15 research vehicle being let loose in air
04:38:38 Atlas rocket missile taking off
04:38:47 Mace missile taking off
04:38:53 Quayle being launched from airplane
04:38:57 Lacrosse missile being fired from launch pad
04:39:01 Thor rocket missile taking off
04:39:18 satellite model
04:39:47 Kollsman star tracker and instruments
04:40:15 CU silicon chip being bonded to photo cell, gold wire being attached to chip
04:41:00 testing star tracker
04:41:11 still photo of galaxy
04:41:21 optical instruments being tested
04:42:03 research division - men at blackboard
04:42:22 CU portable laser, man demonstrating how it works, laser exploding primer cap
04:42:42 air data systems and others being tested
04:43:05 moon
04:43:12 sun explosions
04:43:16 still picture of galaxy
-04:43:55 (1960s) [Kollsman Instrument Corp. Presents]

1) 707 - *Year One* <promo for Boeing Airlines>

[color] [sound]

04:44:38 scenic views of white clouds with engine of intercontinental jet in frame, moon
04:45:48 people drinking champagne inside airplane
04:47:03 landing of Boeing 707 in Seattle in 1959 in rainy, foggy weather, interview with pilot coming off airplane
04:48:27 airplane in flight
04:48:34 testing of jet clipper "Liberty Bell"? airplane - dark shots of crew in cockpit looking out, wing of airplane, pilot in cockpit with camera in helmet, airplane in air
04:49:58 passengers on runway boarding airplane at LAX, christening of first cross country flight in "Flagship California" by Governor's wife
04:51:29 views of clouds and ground from airplane window, Mississippi River
04:53:11 landing in New York City from POV of pilot

JOHN E. ALLEN, INC.

04:53:41 woman waving to departing Pan Am airplane in New York
04:53:46 airplane on tarmac in London
04:53:53 airplanes on tarmac in Paris, passengers exiting airplane
04:54:17 airplane taking off at airport in Rome
04:54:32 ceremony with speech from president of TWA honoring first
commercial jet flight from San Francisco
04:55:09 passengers boarding airplanes and airplanes flying over clouds
04:56:49 test pilot in cockpit, CU pilot moving steering mechanism
04:57:22 scuba divers underwater exploring airplane wreck in test tank
04:58:26 airplane landing at Edwards Air Force Base
04:59:26 airplane taking off
05:00:01 FAA check pilots in cockpit testing airplane
05:01:39 airplanes taking off
05:02:13 men jumping into swimming pool
05:02:41 ballast tanks in airplane
05:02:58 pre flight conference
05:03:20 sunset
05:03:30 airplane taking off
05:04:19 pilots in cockpit
05:04:28 president of Boeing William N, Allen getting onto airplane
05:05:01 pilots in cockpit
05:06:00 landing in Rome
05:06:16 airplane being built
05:06:25 certificate for intercontinental airplanes
05:06:31 airplane flying from behind lone tree in desert with sunset in background
05:07:16 ceremony for Qantas Airlines in Australia starting flights across the Pacific
05:08:15 Continental airplane in U.S. being refueled and luggage being loaded
05:09:58 airplane flying over Denver
05:10:51 San Francisco mayor and Japanese priest in ceremony at airport
05:12:03 trucks over snowy road
05:12:16 water skiers in Florida
05:12:25 airplane landing in Mexico, crowded street scene, pedestrians walking
05:13:09 U.S. Air Force airplane
05:13:31 MLS Eisenhower met in Rome by president of Italy
05:13:41 Eisenhower in Ankara, Turkey
05:13:52 airplane landing in Karachi, Pakistan, Eisenhower receiving gifts
05:14:02 Eisenhower in India making speech at airport, with wife standing
before Taj Mahal
05:14:19 Eisenhower with Shah of Iran
05:14:23 at airport in Athens, Greece
05:13:48 Eiffel Tower in Paris, Eisenhower with President De Gaulle
05:14:56 Air Force airplane DC-137
05:15:10 military men in Madrid
05:15:16 landing in Casablanca with King Muhammad V

1A07 -5-

05:15:41 Eisenhower being welcomed by wife and crowd in U.S.
05:15:56 CU man with home movie camera

JOHN E. ALLEN, INC.

05:15:58 Eisenhower speaking to crowd with message of Merry Christmas
from people around the world

05:17:08 PAN up from beach to jet flying in sky

05:17:30 manufacturers of jets

05:18:09 men going to work

05:18:50 airplanes taking off and flying over clouds

05:20:01 Air France airplane landing

05:20:49 interview with Air France crew

05:21:59 airplane taking off from POV of pilot

05:22:11 French flag

05:22:20 Eiffel Tower in Paris, boat

05:22:30 street vendors

05:22:37 airport

05:22:45 Rome

05:22:48 Istanbul, Turkey - CU flag, men dancing in street, street scene

05:22:57 Middle East - man in donkey-drawn cart

05:23:00 Bombay, India - man speaking into microphone, workers building
runway as airplane lands in background

05:23:35 houses along coastline

05:23:44 Bangkok, Thailand - street scene, airport

05:24:22 port of South China Sea

05:24:31 airplane landing in Hong Kong, street scene

05:25:34 POV from cockpit of landing at night

05:26:26 Hawaii - beach

05:26:46 coastline from airplane

05:27:11 Tokyo - street scene at night, people looking through binoculars

05:27:36 CU Big Ben clock in London

05:27:53 Australia - PAN of bridge

05:28:04 waves crashing over rocks on coast of Hawaii

05:28:13 tide rolling up in beach

05:28:37 PAN up from beach to jet airplane flying in sky

-05:30:01 (1959) [Presented by Transport Division Boeing Airplane Company]
