JEA 1A39 - AGRICULTURE and MEDICAL EXPERIMENTS

[u-bit #19200327]

01:00:14	1) <i>Dynamic Careers Through Agriculture</i>	(S) P.A.-Q-4-D
01:00:30	animated globe rotating in outer space	[16mm]
01:01:20	ocean water, surf, mountain landscapes, sand dunes, desert	[sound-with
01:03:34	ghost town buildings left from gold mining days, sign on one building: "City Hall - Fire Dept."	narration]
01:03:58	cemetery in deserted mountains, abandoned houses,	
01:04:22	abandoned mountain of iron, coal mine and oil field with derricks, unfinished building under construction	
01:04:54	lush vegetation, hand holding soil next to stalks of corn	
01:05:25	CU cells seen through microscope, plowed field, corn plants	
01:06:04	LS factory exterior, scientists in laboratory, tractor in agricultural field	
01:06:29	man cutting tree with electric saw, tree falling down	
01:06:44	Collie dog with puppies in basket, deer	
01:06:54	ACCELERATED MOTION of clouds, airplane releasing pesticides in field, tractor in field passing over camera	
01:07:42	official seal of Dept. Of Agriculture, CS ear of corn on stalk	
01:08:08	corn field with silo and barns in background	
01:08:24	elevator chute carrying ears of corn	
01:08:45	CS kernels of corn through chute into train car	
01:09:08	New York Central train	
01:10:08	consumer products for all kinds on revolving display	
01:11:06	scientists at microscope and in lab working with chemicals	
01:11:33	young man mowing lawn in suburbs, waving to another young man arriving in brand new hot rod car, CSs parts of car, young man in car giving gift of flowers to young woman	
01:13:04	CS umpire yelling play ball; boys playing baseball, girls in stands eating hot dogs	
01:13:37	steer on top of hill, cattle feeding, farm building with sign: "Pfizer"	
01:14:09	CSs cattle feeding	
01:14:26	nutritionist, veterinarian and geneticist talking on fence while looking at feeding cows	
01:15:31	studies conducted to investigate how cattle use feed - man petting Elmer while another man opens capped port hole leading to one of Elmer's stomachs by twisting cap off and taking by hand feed from inside stomach	
01:16:01	bacteriologist in lab working with samples	
01:16:31	agricultural industry - cattle being fed by machine, buildings, computer calculating daily feed usage, reaper tractor, cotton fields, poultry, vegetable farm, farm factory, farmers sitting at table talking, scientists working in laboratory, specialist testing beans in field...then getting in car and using telephone, harvesting tractor in field, CSs beans through assembly line of processing machines to final packages, delivery trucks, PANs across many food items in grocery store	

JOHN E. ALLEN, INC.

- 01:21:45 street sign: "Madison Ave. - E. 42", PAN from street scene up tall building, advertising men around table
- 01:22:20 newspapers coming off press, man in office receiving message from teletype machine, swirling agricultural magazines, television cameraman on top of truck recording crowd admiring prize steers, students walking around college campus, school buildings
- 01:24:26 man driving tractor in field, heavy farm equipment on train
- 01:24:53 electric typewriter typing by itself, man in control room, scientist in laboratory, scientist in green house with sign: "Caution! Radioactivity"
- 01:25:50 missile launching pad
- 01:26:34 students walking on sidewalk of campus
- 01:26:49 CS plants, animated globe rotating
- 01:27:26 (1958) [Pfizer Presents]
-
- 01:27:33 1) *Stress And The Adaptation Syndrome* (S) P.A.-Q-4-D
- 02:00:57 - medical experiments with and autopsy operations on rats, [color]
professor wearing white jacket at blackboard teaching class, [sound-with]
speakers at medical conference narration]
(1966) [Research and Scientific Films]
